## Pair Admits Break-Ins At 2 Homes, 3 Businesses

One A Parolee; Police Clear Thefts At Carp's Pool Hall And Office

Burglary and larceny charges were filed Friday against two Granite City men who between them admitted break-ins at three downtown business places and two homes.

Their confessions included: Carp's Dry Goods store, where \$18 and two suitcases of merchandise were taken Sept. 21, and the township tax assessor's office in the adjacent Fleishman building.

One of them admitted a Sept. 5 break-in at the Granite City Pool Parlor, 1911 State street, where \$40 was reported taken. Nothing was removed from the assessor's office.

Waiving preliminary hearings Friday morning before Police Magistrate Gasparovna were Melvin Ray Travis, 21, of 1731 Cleveland hwy., and Harold Lee Graham, 19, of 2345 25th street.

On Parole Since May, Graham is a parolee from Pontiac state penitentiary where he was serving a 1-to-2-year sentence for a Granite City burglary. He has been on parole since last May, and his parole expires next February.

Police said they also admitted entering the home of Clifford Gaylord, 2142 Cleveland hwy., on Sept. 21, taking an electric razor, and Graham admitted an unreported burglary at a home in the 2700 block of Edwards street belonging to a hospital.

He said he noticed papers and mail accumulated on the front porch and entered through an unlocked back door. Graham said he stole a picture off the living room wall and also took an electric razor.

Bonds were set at \$1500 each pending grand jury action. They were taken to the county jail Saturday night.

## GC Post Office Move May Be Made In Two Weeks

Granite City's new post office building should be ready for occupancy by the third weekend of this month, it was learned from the contractor, City Nelson.

Delays in receiving electrical fixtures and the tilting of over 15,000 square feet of floor has set the date back from the mid-October completion schedule.

Assistant Postmaster Arthur J. Metcalf said the move from the present downtown building and the Kate street station will be made "on the first weekend."

After the new building is completed.

"We're ready for it, but we will have to make the move on a weekend in order not to disrupt postal operations in the city."

The Assistant postmaster said Postmaster and Mrs. Theodore Overbeck, who is in Honolulu, Hawaii, where he is attending the national post office convention, are due to return Oct. 18.

In the change, the downtown post office on Niedringhaus avenue and the Kate street station are to be closed, but the National station will remain open.

Washington avenue for today's start of a storm water drainage line to extend to 14th street. Watching the unloading are Mayor Mearns, Project Engineer Edward Jones, Street Superintendent Stanley Lucas and contractor G. H. Sternberg, who was awarded the contract on a bid of \$452,481.

## Man Shot In Fracas At Tavern Early Today

Fires Shotgun Blast, Then Whodgun By Owner At Millie & Mickey's

Gerald DeMontmolin, 40, of 2843 Myrtle avenue, was wounded in the groin during a shooting spree at 12:50 a.m. today in Millie & Mickey's tavern, 18th and State streets.

Granite City police said that Russell Edwards, co-owner of the establishment, fired several shots at DeMontmolin after DeMontmolin fired a shot, in the tavern who returned the shot.

Police said the shooting was preceded by an argument with the bartender who returned DeMontmolin for using foul language. In the presence of women, the bartender said DeMontmolin had made sarcastic remarks about his wife, so he hit him and knocked him down.

West Home For Gun, Edwards and the bartender made DeMontmolin leave the establishment, police said. The report said DeMontmolin went home to get the 12-gauge double-barrel shotgun, went to another tavern to buy a box of shells and then returned to Millie & Mickey's.

He fired a shot at Edwards but missed, police said, and Edwards went upstairs to get his 38 caliber revolver. When he returned, DeMontmolin was aiming the shotgun at the bartender. Edwards shot him through a tavern window.

DeMontmolin, who was taken to St. Elizabeth Hospital, told police that the trouble did not concern foul language but involved a bet. Police said they will wait for his release from the hospital before filing charges.

## Connie Halbrook, 62, Dies Watching Series

Connie H. Halbrook, 62, of 2401 East 25th street, was dead on arrival at St. Elizabeth Hospital about 4:20 p.m. yesterday after suffering a heart attack at home. He had been under a doctor's care.

Mr. Halbrook, a native of Dresden, Tenn., was in his living room watching the World Series on television when he collapsed while in his chair. He was taken to the hospital by ambulance.

Mr. Halbrook was a weigher in the tin house at Granite City Steel Co., where he had been employed 24 years. He was a member of Steelworkers Local 67 and VFW Post 1300.

Survivors include his wife, Dorothy, 62, of 2401 East 25th street; four sons, Robert, 34, of 2401 East 25th street; Russell, 31, of 2401 East 25th street; and Donald, 29, of 2401 East 25th street.

Funeral arrangements are being made by the Scotts' funeral home, 14th and State streets.

## Charges Against Driver

Venice police charged Larry J. Mueller, 18, of 608 Washington avenue, Venice, with careless driving violation at 10:30 p.m. Saturday night near the bar in the 1000 block of State street, where he allegedly left the marks 56 feet while driving.

He was released on \$100 cash bond and his driver's license to return for a hearing.

## Extensive Damage In Liquor Store Fire

A fire yesterday morning caused extensive damage to the interior of the Red Crown Liquor Store, 312 Madison avenue, Madison.

Owner Louis Nornberg said the fire was discovered about 7:45 a.m. yesterday by Mr. and Mrs. Herman Scott, who live in an apartment above the store.

The blaze, extinguished by Madison firemen, destroyed liquor, wine, the bar and the rear wall. The cause was undetermined, Nornberg said.

A short circuit near the bar in the rear may have been the cause. No estimate of damage has been made. The Scotts' apartment was damaged by smoke.

## Another \$100,000 For Venice From Bridge

Traffic Sets Record For 12-Month Period; 13,161 Vehicles Daily

Traffic on McKinley Bridge reached a record high during the third month of the fiscal year, which ended Sept. 30, and the city of Venice received \$100,000 in bridge tolls for the second successive year.

Henry McMullen, bridge manager, reported to the Venice City council Friday night that the bridge had received \$100,000 in tolls for the second successive year.

The city earned \$33,588 from the bridge in 1958-59, \$79,848 in 1959-60, \$79,165 in 1960-61, and \$100,000 in 1961-62. The five-year total is \$326,502.

A daily average of 13,161 vehicles crossed the bridge in September. The month's total was 394,853, including 87,343 the first week, 94,193 the second, 95,835 the third, 93,624 the fourth week and 23,646 the last two days.

## Burned Lighting Furnace

Also at the hospital, Thomas Parker, 60, of 4843 Warnock avenue was treated for burns to his left hand and arm, suffered while trying to light a furnace Saturday night.

The mishap occurred about 6 a.m. Saturday when the Prather junior high school eighth grade class was in the driveway at home, and was stopping the scooter. As he was laying the scooter on its side, a jagged flywheel struck his heel, nearly severing the main tendon. He will be in St. Elizabeth Hospital several weeks.

## Looted Safe Found Near Horseshoe Lake

A looted safe that had contained \$100 was discovered at 8 a.m. Sunday by Bill Nichols near his fish market on Bend road, Horseshoe Lake.

The safe door had been removed and the money taken. Papers scattered nearby enabled deputies to trace ownership to Michael J. Toth and Olivia R. Toth of University City, Mo.

University City police, who picked up the safe, said it had been taken in a burglary Friday night at a business place there.

## Bi-State Experimental 15-Cent Student Fare Planned

An experimental revision of bus fares for students in Illinois school districts will become effective with the week beginning Oct. 13, it was announced today by the Bi-State Transit System.

At present, student rates consist of a 10-ride weekly punch ticket selling for \$1.50, or a 25 weekly pass, at the option of the student.

The \$1.50 ticket will be replaced by a 15-cent cash fare per ride upon presentation of a valid identification card, issued by the schools. This fare will be good on school days only, Mondays through Fridays, and for 5 cents per ride at all other times during the week, will continue to be available in districts where the schools are handling the sale of tickets and passes at the school.

## Scooter Flywheel Rips Boy's Heel; Man Suffers Burns

A jagged cut to the right heel of Thomas Reynolds, 12-year-old son of Mr. and Mrs. Gene Reynolds, 309 Paradise lane, Mitchell, will prevent him from walking three to five months.

The mishap occurred about 6 a.m. Saturday when the Prather junior high school eighth grade class was in the driveway at home, and was stopping the scooter. As he was laying the scooter on its side, a jagged flywheel struck his heel, nearly severing the main tendon. He will be in St. Elizabeth Hospital several weeks.

## Floral Setting Saturday For Edmonds-Pitchford Wedding

In a setting of white flowers and greenery Miss Rose Ellen Pitchford, a daughter of Mr. and Mrs. Veri Pitchford, 2500 Nameoki road, was married to George Edmonds Saturday afternoon at Sacred Heart Catholic Church.

The ceremony was performed by the Rev. Daniel Yusko at 2 o'clock and a dinner and reception were held afterward at the FFW Hall.

Mrs. Margaret Crawshaw, organist, provided a program of wedding music.

Attendants for the bride were Miss Rita Klum of Hardin, Ill., maid of honor, and Miss Cathy Cahler of St. Louis, bridesmaid.

Flora Pitchford, the bride's brother, served as best man and spokesman and ushers were Andrew Edmonds of Denton, Ill., the bridegroom's brother.

Mike Edmonds, a cousin and Larry Yates.

For her wedding the former Miss Pitchford selected a classic floor-length gown of pail de soie. The empire bodice was fashioned with a deep scalloped neckline adorned with seed pearls and beads. A jeweled motif trimmed the bouffant skirt which ended in a cathedral train. An ornate imported illusion veil.

She carried a crescent bouquet of white roses, stephanotis and ivy centered with a removable corsage. Mr. Pitchford gave his daughter in marriage.

The attendants were dressed alike in short dresses of romance blue silk organza. They were styled with tight bodices, three-quarter sleeves and long overskirts. Beaded crowns and brief veils matched the dresses and they carried nosegays of variegated blue and white carnations tied with parrot blue ribbons.

Ellen Marie Pitchford and Scotty Pitchford, niece and nephew of the bride, served as flower girl and ring bearer. The former, dressed like the older girls, carried a basket of flower petals.

The bride's mother wore a rose colored lace and chiffon dress with matching accessories and a corsage of cymbidium orchids. After a wedding trip the newweds will live at 2502 Nameoki road. The bride graduated from local parochial and high schools and St. Joseph's Hospital School of Nursing in Alton. She is presently employed at St. Elizabeth Hospital. Mr. Edmonds is employed in St. Louis.

**MAYFLOWER CLUB MEETS**  
The Mayflower Club met last week at the First Presbyterian Church with Henry George in charge of the business session. A pot luck supper was served.

CALL LAZENBY, TR 4-3978

MRS. GEORGE EDMONDS, a bride of Saturday. Before her marriage of Sacred Heart Catholic Church she was Rose Ellen Pitchford, a daughter of Mr. and Mrs. Veri Pitchford, 2500 Nameoki road.

AUTUMN BRIDE. Mrs. Robert R. French, who was married Saturday night at First Assembly of God Church. She is the former Linda Jean Fowler, a daughter of Mr. and Mrs. Briney Fowler, 2132 Washington avenue.

## District B&PW Honors Three GC Members At Troy Meet

Three local women, past presidents of District Eleven, Business and Professional Women's Club, were honored and given special recognition at a luncheon for the district held in Troy Sunday to open Business Women's Week of the National Federation of Business and Professional Women's Clubs. They were Mrs. Paul Ryckman, Mrs. Elvira Thurber and Miss Morene Greshong. Another highlight of the week will be the visit of state officers headed by Mrs. Mary Lou Koonce, president, when the group will visit the local offices of the Illinois Power Co. and a key to the city will be presented to Mrs. Koonce by Mayor Leonard R. Davis.

Other activities will include a visit to the Granite City council meeting by the Granite City club in a body, and a "Fete-Tour" Tuesday evening arranged by Mrs. Gay Rosch, chairman. The members will be accompanied on a tour of the East St. Louis telephone facilities by Paul Stout, local manager.

On Wednesday an all-day "coffee break" will be held at the YMCA in charge of Mrs. Elvira Thurber and Mrs. Dolores Allen. All friends are invited.

The week will close with a breakfast Saturday in the home of Mrs. Vernice Warman, Granite City Club president.

**RETURNS FROM SOUTH**  
Mrs. G. A. Hayama, 1919 Cleveland blvd., returned Thursday evening from Daytona Beach, Fla., where she was called due to the serious illness of her sister, Mrs. Mildred Cork.

## Miss Linda Jean Fowler And Robt. Paul French Are Wed

Miss Linda Jean Fowler and Robert Paul French were married Saturday evening at First Assembly of God Church. The double-ring ceremony was performed at 7 o'clock by the Rev. Paul Evans.

The bride is a daughter of Mr. and Mrs. Briney Fowler, 2132 Washington avenue. Mr. French, an airman first class, stationed at Selfridge Air Force Base, Detroit, Mich., is the son of Mrs. Fay E. Buford, 2027 Lee avenue, and Leroy French, Wood River.

The sanctuary was decorated with baskets of gladioli, greenery and burning candles in candleholders. Candies in hurricane lamps also lighted the white-carpeted aisle.

Mrs. Lee Arnold presided at the organ and accompanied the soloist, Miss Juanita Brewer, as she sang "O Promise Me," "I Love You Truly" and the Lord's Prayer.

Mr. Fowler gave his daughter

## 'Know Your Church' Is Circle Lesson

Patience Circle of Niedringhaus Memorial Methodist Church met Thursday evening in Wesley Hall of the church.

Mrs. Rita Curis, leader, was in charge and after the opening prayer by Miss Gladys Gibson the lesson titled, "Know Your Church," was given by Mrs. Helen Simpkins, assisted by Mrs. Edna Lynn, Mrs. Ruth Furkey, Miss Anna Hart, Mrs. Josephine Ramsey and Mrs. Helen Muelder.

The hostess, Mrs. Lucy Weaver, served refreshments to 14 members.

**ATTEND OES GRAND LODGE**  
Members of Granite Chapter 859, Order of Eastern Star, were in Chicago the past week to attend Grand Lodge sessions.

Among them were Mrs. Hilda Griffith, worthy matron of the local chapter; Preston Ridings, worthy matron; Mrs. Dorothy Fitzpatrick, associate matron; Grover Brannan, associate patron; Mrs. Villa Ridings, chaplain; and Mrs. Marge Brannan, Ruth.

The next stated meeting of Granite Chapter will be held Friday.

The honor attendant and bridesmaids were dressed alike in anise pink sheer styled with round necklines and long fitted sleeves. Their headpieces were of the same fabric as the gowns with small velvet bows and veiling. Mrs. Schardan carried a cascade of elegant carnations and snowdrift. The flowers of the maids were carnations.

The little flower girl, dressed in a short nylon and white lace frock with a band of pink roses in her hair, carried a white basket filled with rose petals.

For her daughter's wedding Mrs. Fowler wore a peacock blue lace sheath, while the bridegroom's mother chose a royal blue puffed brocade jacket dress. Both wore black accessories and corsages of white orchids.

A reception was held at the YMCA directly after the church service and the newweds left later for a short honeymoon trip. They will live in Detroit, Mich.

They were assisted at the reception by the bride, Mrs. Gladys Fowler, Miss June Fowler, a cousin, Miss Beverly Doreth and Miss Susan Harris, another cousin, served at the punch bowl and Mrs. Larry York was in charge of the guest book.

The bride was graduated from the Granite City high school and attended a St. Louis business college. She has been employed at the Granite City Trust & Savings Bank.

In Our 69th Year of Uninterrupted Service To The Quad-Cities!

## Pupils To Help Inspect Homes For Fire Dangers

Pupils in Quad-City elementary schools are joining with 4.5 million boys and girls across the country to help combat the increasing toll of deaths and property damage in fires.

The campaign began yesterday with the start of the year-long school Junior Fire Marshal program and the annual observance of National Fire Prevention Week.

The local program is sponsored by the Granite City, Madison, Venice, Mitchell and Long Lake fire departments with the cooperation of school officials.

Quad-City schools are among more than 15,000 elementary schools across the country who are participating. Fire Chief Elijah King of Granite City said the latest issue of Junior Fire Marshal Magazine is being passed out to youngsters in kindergarten through the fourth grade.

### Inspection Check Lists

The magazine includes a check list for home inspections to eliminate the common causes of fires. Boys and girls will inspect homes with the aid of parents. When they complete their reports, they qualify as Junior Fire Marshals.

The list covers the most frequent causes of home fires including worn electrical connections, overloaded circuits, improperly stored flammable materials, unsecured fireplaces, defective heating systems, rubbish and improper adult smoking habits.

A total of 350,000 home fires occurred last year in the United States, exceeding the number of

fires in all other types of buildings put together. More than 11,800 people lost their lives and thousands were injured.

Firemen urged all families to make a home inspection regularly. They emphasize one item on the Junior Fire Marshal report that will help to save lives: planning in advance escape routes from every room in the house for every member of the family.

School children completing the home report and qualifying as Junior Fire Marshals will receive an official badge and a plastic fire helmet.

### Basic Check Out Items

A few of the 14 questions on the check list:

- Have old newspapers, magazines and other materials that will burn been removed from basement, attic or garage?
- Are paint, varnish and oil kept in tightly-closed metal containers and away from the furnace?
- Has your furnace or heating system been cleaned and inspected by a professional repairman within the past year?
- If you burn trash outdoors, do you have a suitable incinerator?
- Do you always unplug the electric iron cord when not in use, even for a short time?
- Have all frayed cords on electrical appliances been replaced?
- Are portable heaters kept away from curtains, drapes, furniture, walls or partitions?
- Are the proper size fuses in every socket in the fuse box?
- Do you always make sure that matches, cigarettes and cigars are out when you are through with them, or are you absolutely certain never to smoke in bed?

## Merlin Hiscott Speaks On Cutdown Of Judges

Attorney Merlin Hiscott spoke Thursday to the Granite City Optimist Club on why seven circuit judges should be retained in Madison county. The new Judicial article would limit the county to five judges.

Local attorneys from the Granite City and Alton city courts would be eliminated. The local bar association is striving to obtain a fulltime circuit court for the Quad-Cities.

Should the local court be eliminated, residents would have to travel to Edwardsville for the services of a judge with circuit court powers and jurisdiction.

Optimist President David John said the club will present a speaker for the opposite side of the picture soon.

The Oct. 17 meeting will feature Lawrence Tolpar, president of the East Side Sanitary & Livery Association. The program was arranged by Herman Mueller.

**GUEST SPEAKER.** The Rev. Everett Lemay, pastor of the Park Avenue Baptist Church, Mount Vernon, Ill., who will address the annual meeting of the Madison County Baptist Association at Bethesda Baptist Church here.

## County Baptist Annual Meeting Set Here

The annual meeting of the Madison County Baptist Association will be held this week at the Bethesda Baptist Church, 3530 N. Grand drive. The first session will begin at 6:30 p.m. Thursday, continuing through Friday at 9:50 a.m.

The Baptist leaders who will speak are: Rev. L. H. Moore, editor, Illinois Baptist; Rev. Wheeler L. Thompson, state Sunday school secretary; Rev. Arthur Finner, director, Broadway Bonds for the state; Rev. Everett Lemay, pastor Park Avenue Baptist Church, Mt. Vernon.

The Madison County Association is composed of 22 Southern Baptist Churches, two Missions and one Goodwill Center. The Goodwill Center is located on N. Grand drive in Granite City. The Association is affiliated with the Illinois Baptist State Association and the Southern Baptist Convention.

Reports of all phases of the work will be presented by the heads of the departments. The reports will cover the work for the past year.

Rev. Kenneth McDaniel, pastor of First Baptist Church in Madison, will serve as moderator. Rev. W. J. Richardson is superintendent of missions for the Association.

Rev. Lemay will be the principal speaker at the meeting. Rev. Austin Fisher is the host pastor. The public is invited to attend the services.

**LEGISLATORS WERE HONORED** by Madison county school administrators at this banquet in the Granite City high school cafeteria Thursday night. Pictured (left to right) are State Representatives Ralph T. Smith (R), Alton, and Lloyd "Curly" Harris (D), Granite City; County School Supt. Wilbur R. L. Trimpe; State Senator Paul Simon (D), Troy; and State Representative Leland J. Kennedy (D), Alton.

## County School Administrators Honor Legislators

"Understanding and support of constructive school legislation" was cited by the Madison County School Administrators Association here Thursday evening in presenting inscribed plaques to the four state legislators from this area.

County School Supt. Wilbur R. L. Trimpe presided at the dinner gathering of 200 administrators, school board members and wives in the Granite City high school cafeteria.

Edwardsville Supt. A. Gordon Dodd spoke on "Recognition for Those Who Help Education" and Livingston Supt. Marion Verton spoke on "The Last Word in Appreciation."

Plaques were presented to State Rep. Lloyd "Curly" Harris of Granite City by Granite City School Supt. Harold M. Kaiser; State Rep. Ralph T. Smith by Highland Supt. Olin Straton; State Sen. Paul Simon by Triad Supt. Clarence A. Henry; and State Rep. Leland J. Kennedy by Leroy Fritz, Alton schools' director of community relations.

The welcoming talk was by Granite City High School Principal Lawrence C. McCauley. Vocal selections were presented by a quintet, the Fairview Four and a Flower, composed of Dr. Merrill Ottaway, Dick Bousin, Floyd Rogers, Robert Rogers and Mrs. Audrey Deeren, with Gene Adams as accompanist. Eugene Alassi was in charge of decorations.

Speakers noted that the legislators had met with local administrators in frequent conferences at Springfield during the state legislative session. While there was not always full agreement, the four showed deep interest in the welfare of boys and girls of Madison county, it was asserted.

## Miss Blackburn Taking Part In State Conference

Miss Mary Blackburn, chairman of the Granite City high school, will be on the program of a four-day meeting of Illinois school administrators today through Wednesday at the University of Illinois, Urbana.

Miss Blackburn will participate in a discussion of practices in secondary education of speech and drama.

The conference, conducted by the U. of I. College of Education and Division of University Extension, is attracting more than 500 educators to interlocking meetings of the Illinois Association of Secondary School Principals, Illinois Junior High School Principals Association, Illinois High School Association, Illinois State Teachers Association, and North Central Association for Illinois Schools.

Major speakers will be Clifford Fudman, author and radio-television personality; Ray Pugh, Illinois Superintendent of Public Instruction; Very Rev. Paul C. Hebert, president, St. Louis University; Dr. Clarence W. Sorenson, president, Augustana College; Director Charles R. Keller, John Hay Fellows Program; Prof. Earl C. Kelley, Michigan State University; Prof. John H. Hines, State University of Iowa; Clifford B. Fagan, executive secretary, National Federation of State High School Athletic Associations; Dean Allen S. Wells, U. of I. College of Fine and Applied Arts; and Prof. John Wornick, Loyola University.

## Madison Lions Open Program For Blind

Members of the Madison Lions Club are distributing canisters for collection of funds for the blind. The program is a nationwide project of the Lions Club.

The canisters will be located in various businesses in the Quad-City area until the first week in November. Plans for the project were made at the last meeting Thursday night as 26 members attended.

Administrators in frequent conferences at Springfield during the state legislative session. While there was not always full agreement, the four showed deep interest in the welfare of boys and girls of Madison county, it was asserted.

## Glazed Spareribs

- 1 rack spareribs
- 1 teaspoon salt
- 1 Dash pepper
- 1/2 cup apple jelly
- 2 teaspoons lemon juice, fresh, frozen or canned
- 1 1/2 teaspoons Worcestershire sauce
- 1 teaspoon dry mustard

Prepare fire in outdoor grill or start your broiler. Sprinkle rack of spareribs with salt, pepper. Get out a little sausage, put in apple jelly and melt over a low heat, then stir in lemon juice, Worcestershire sauce, and mustard. Brush or spoon mixture on ribs and grill or broil about 15 minutes. Turn, brush second side and cook same length of time. Brush frequently with apple-jelly mixture to give a good brown crust. Serve 4.

# Alton Flattens Granite City With 40-0 Haymaker

## Andy Johnson Scores Twice; Birds Convert 2 Blocked Punts Into TD's

Alton's underrated Redbirds gave Granite City high school football club a costly lesson at Public Schools Stadium Friday night, as they all but ran the Warriors off the premises in a 40-0 rout.

The host Birds scored in every period, converted a pair of blocked Granite City punts into victory-demoralizing touchdowns and evened their Southwestern Conference record at 1-1. Granite City is 0-1-1 in the SWC.

The Johnson boys, Andy and Leroy, were much in evidence. Leroy ran for two scores, and he and Andy chewed out huge chunks of yardage behind the most vicious line in the Warriors have run up against in four games this fall.

**Caldwell Blocks 2 Punts**  
Defensive end Paul Caldwell set up two of the Redbirds scores when he blocked punts by Joe Hiles and Ricky Reutebuch. Guard Pat Putcell picked up the first one on the GC 15 late in the second period and ran it in to give Alton a 20-0 lead at halftime.

Caldwell blocked another try at the Granite City 19 in the fourth quarter, and it was guard Tom Scobie, who scooped up the loose ball at the visitors' 15 and went over untouched.

Wingback Otis Hall got Coach Ralph McClain's club on the scoreboard in the first quarter on a well-executed counter play which covered the final 17 yards in a 58-yard march. Vic Schwartz posted the first of four extra points to give the home forces a 7-0 lead with 6:35 left.

Alton drove 57 yards for its second score, with Johnson going three yards for the TD.

The Warriors, limited to 60 yards rushing Friday after picking up over 300 the previous week, facing Collinsville, could not move on the next series, and Caldwell's kick broke through to another Hiles' punt and set up Purcell's recovery and TD run.

**20-0 Halftime Lead**  
Schwartz's kick enabled the Redbirds to take a 20-0 lead to the dressing room.

If Warrior fans were expecting a second-half comeback, they were disappointed.

Granite City (22-1) again could not get going against the hard-charging Alton defense, and Leroy Johnson broke loose for the night's longest gain, a 46-yard off-tackle gallop, after Alton had taken a GC punt on its own 22-yard line.

Quarterback Brent Gwiltin, who tied a line job for the Birds, hit Hall with an 11-yard pass. After Gwiltin had missed on two more air shots, Johnson broke through the loosened-up GC defense on a draw play which covered 20 yards and was good for a fourth TD.

Caldwell, who seemed to be everywhere the ball was, picked off quarterback Jack McKeen's pass late in the third period and returned to the GC 41 to boot up the next Alton score.

Reserve fullback Fred Wlien-dorff ate up 45 yards in four carries after the Redbirds had been touched for a 15-yard penalty, but it was Gwiltin who scored on the quarterback option, keeping and cutting across to the GC seven. Schwartz's boot made it 34-0.

Less than two minutes later the home club had its sixth score.

## Edwardsville Impresses In 22-0 Victory Over Kahoks

Edwardsville's Tigers continued to impress Southwestern Conference football observers this week as they rolled to a 22-0 win over Collinsville and took over first place in the early season standings.

Coach Jim Townsend scored three times for Coach Henry B. Edwards' upstarts. They are pointed toward a Thursday night showdown battle with perennial league champion East St. Louis, which looked anything but impressive in a 20-0 victory over Quincy club Friday, 21-7.

The Tigers blanketed the Warriors without the services of fullback Bob Hopkins, who was sidelined after suffering an ankle and knee injury in a game with Collinsville. Both were released, but x-rays were to be taken Saturday. Morrison said Kern, injured just before the end of the first half, definitely will miss Thursday's game here against Wood River.

Personnel-wise, the loss could have been a serious one for Granite City.

Guard Ernie Kern and halfback Norm Wilford were treated at St. Elizabeth Hospital here after the game for possible concussion. Both were released, but x-rays were to be taken Saturday. Morrison said Kern, injured just before the end of the first half, definitely will miss Thursday's game here against Wood River.

Elsewhere in the SWC, things went about as expected if you can forget Alton's 40-0

**Warrior Harriers Upset EHS, 26-29**  
Grabbing five of the first eight plays, Granite City high school cross-country runners surprised Edwardsville 26-29 Thursday afternoon in a dual meet over EHS's two-mile course.

Coach Dick Harmon's harriers had been beaten by the Tigers in an earlier triangular meet at East St. Louis. Edwardsville was without the services of two lettermen, Gary Strader and Bill Hyten, while Pat Harris was absent among Warriors at the start.

The host's Jim Kroeft took initial honors in the time of 11:50 over the hilly course, with Granite City's Gary Lomax second in 11:07 despite a heavy cold. Ken Wiedewitz of EHS was third, Gene Stenberg of GC fourth in 11:37. John Bull fifth in 11:38. EHS's John Rottler sixth, Mike Lammet of GC seventh in 11:44. Pat Kincaid eighth in 11:45. Gary Koch of Edwardsville ninth and the Tigers' Jackie Hoover 10th.

Stenberg, Bull and Rottler faced a stretch battle with the fourth and fifth place Warriors, finishing deciding the meet's outcome.

**Jayvees Win, Too**  
Warrior Jayvees, running the second of their 2-2-22 victory over their Edwardsville counterparts, although EHS's Roger Reiter won in 11:35.

Mike Forcades of GCHS was fourth in 11:57. Keith Wilson fourth, Bob Yates fifth, Gary Crews sixth, Louis Miller seventh and John Kozayak ninth.

Both Warriors units will run here against Cahokia tomorrow at 4 p.m.

Belleville rolled easily to a victory over Wood River, dropping the Oilers (0-2) into last place in the conference.

Regular Maroon quarterback Dave Englebert was back in uniform, but it was Tom Koenig who paced the winners with two short TD runs.

Madison's 33-0 walk over Dupu in the Midwestern race was matched by defending MVC champion Cahokia's 21-0 blank of an improving Bebalto outfit.

Les Sluder scored twice for the Comanches, one of his counters a 57-yard run with an intercepted pass.

Roxana registered a mild upset by edging Highland 19-14, scoring all its points in the second period. Set of the winners' options Highland's 14-1 point rally in the final quarter fell short. The game's most spectacular play was an 85-yard TD pass from Roxana's Don Withers to Bill Coleman.

**Braves Win Third Straight; Bomb Webster, 40-0**  
Coolidge pushed across four touchdowns in the first half and rofe to an easy 40-0 freshman football win over Webster JHS in Collinsville Thursday afternoon.

The Braves got two touchdown efforts from halfback Brian Lawmew and fullback Ron Turner as they ran up a 28-0 intermission advantage on the way to their third win in three games.

Lawmew scored the first CJHS touchdown on a one-yard plunge. Halfback Jack Morris counted off a seven-yard run and ran in the extra points after both first quarter scores.

Turner scored his first TD in the second period on a six-yard run. Quarterback Jim Peters ran for the extra point. Lawmew scored again before the half ended, going the final four yards and also running for the extra point.

With two backfield regulars missing because of illness, Prather could not get a sustained offensive drive going. The squad moved to the Edwardsville 20 in the third quarter during its deepest penetration.

The Chiefs' defense stopped Edwardsville on the 10 late in the final quarter. Prather was injured after another conference opponent, Webster JHS, in Collinsville at 4 p.m. Thursday.

**Edwardsville Nips Prather 7-0; First Setback For Chiefs**  
Halfback Jackie Townsend's 35-yard run in the second period resulted in the game's only touchdown Thursday afternoon as Edwardsville's freshman football squad edged Prather junior high school 7-0 on the loser's gridiron.

Townsend scored on a cross-back and Jim Hayes ran over the extra point for the victors, who dealt the Chiefs their first loss in Junior High conference play.

A bases-loaded triple with two out by Fairview's Andy Grace was the decisive blow in the fifth inning of Friday's game. The hit came off Terry Cooper, who was the losing pitcher. Ken McWilliams relieved Cooper before the big inning had ended.

Yates scored only five hits, one of them Mike Edwards' second inning double which led to the visitors' first run. Venice counted its other run in the third. Fairview took a 2-0 lead in the first, and tacked on single runs in the third and fourth before the fifth inning explosion, which was helped along by three Red Devils miscues.

Venice, which will begin basketball practice this afternoon, may schedule basketball next spring for the first time. Coach Bill Ohendorf revealed, in addition to track meets. The VHS lineup in Friday's final game included three sophomores and three freshmen.

**17-Hit Attack**  
Venice touched three Aviston hurlers for 17 hits, including two home runs, in posting a 15-2 Madison-Clinton-Macoupin Counties Conference win Thursday afternoon at Lee Park.

Behind 2-1 after 2 1/2 innings, Ohendorf's club struck for six runs in the third, with Terry Cooper's three-run homer, which skipped past the Aviston center-fielder, the big hit. A throwing error by Aviston catcher Don Rottman let in two more runs.

Winning pitcher Ken McWilliams gave the visitors only five hits, one of them Mike Edwards' second inning double which led to the visitors' first run. Venice counted its other run in the third. Fairview took a 2-0 lead in the first, and tacked on single runs in the third and fourth before the fifth inning explosion, which was helped along by three Red Devils miscues.

**Twins Elevate Pitcher Papp To Triple A**  
Charles Papp, who helped ninth Granite City high school baseball finals last spring, has been promoted from Class A to Triple A in baseball's minor leagues. His parents, Mr. and Mrs. Charles Papp, have just started the Papp Bros. Hardware Co. in the Pacific Coast League.

Enrolled this fall as a freshman at the University of Illinois, he hurried during the summer for the VHS. He was a member of the Minnesota Twins farm system. He had hoped for promotion to Double A, the Charlotte, N. C. Twins, but instead will jump two notches—to the Dallas-Fort Worth Twins of the Pacific Coast League, one rung below Major League level.

Only sparingly early in the 1953 season at VHS, Papp won three games in a row to finish with a 4-3 win-loss record and also was credited with "saves" as a relief pitcher. He started the season as the team's ace, but was injured in his league's all-star game.

A state all-star pitcher in high school competition earlier this year, Papp gained favorable notice as a professional by averaging more than one strikeout an inning during the season just concluded. He is a right-hander.

The first commercial phonograph record changer, forerunner of the juke box, was invented by Karl Schwartz.

## Trojans Find Winning Combination At Dupu, 33-0; Lusk Scores Twice

Scoring more points in a single quarter Friday night than it had managed in three complete games previously, Madison high school rolled easily past Dupu's Trojans 33-0 for the Trojans' first win of the football season.

Sophomore fullback Paul Lusk, playing his best offensive game of the fall, scored twice for Madison on short thrusts. Quarterback Gary Skinner ran for one TD and passed to halfback Mike Koenig for another, and John Summers completed the rout by intercepting a Dupu pass and returning it across the field.

Madison took quick advantage of a big first-quarter break when a center snap in a punting situation sailed over the kicker's head and was downed by the Trojans at the Dupu three.

Lusk, who ground out 110 yards in 22 carries for the best individual rushing effort by a MHS back this season, amassed 100 yards in the first half, and in the third the Trojans found the extra point was stopped and Madison led 6-0 at the end of the first quarter.

The Tigers gambled and lost on the next series. Needing three yards at the Madison 43, fullback D. O. Holmes was hauled down short by John Oakes, and Skinner then directed a sustained drive to the Dupu 12, with Lusk eating out most of the yardage up the middle. Skinner counted the game's second TD on a keeper, but the point-after-touchdown was again short.

Held to 41 yards rushing and putting just 15 of that in the first half, Dupu was forced to punt after losing yardage in the next series, and Madison again marched go-ahead.

er's club was never able to move inside the Trojan 30 yard line.

Touchdown—hungry Madison laid up 20 points on the scoreless first quarter.

The hapless Tigers, who were 0-4 for the campaign, lost their second successive MVC contest in what looks like a long season.

Madison took quick advantage of a big first-quarter break when a center snap in a punting situation sailed over the kicker's head and was downed by the Trojans at the Dupu three.

Lusk, who ground out 110 yards in 22 carries for the best individual rushing effort by a MHS back this season, amassed 100 yards in the first half, and in the third the Trojans found the extra point was stopped and Madison led 6-0 at the end of the first quarter.

The Tigers gambled and lost on the next series. Needing three yards at the Madison 43, fullback D. O. Holmes was hauled down short by John Oakes, and Skinner then directed a sustained drive to the Dupu 12, with Lusk eating out most of the yardage up the middle. Skinner counted the game's second TD on a keeper, but the point-after-touchdown was again short.

Held to 41 yards rushing and putting just 15 of that in the first half, Dupu was forced to punt after losing yardage in the next series, and Madison again marched go-ahead.

Madison took quick advantage of a big first-quarter break when a center snap in a punting situation sailed over the kicker's head and was downed by the Trojans at the Dupu three.

This time it was a Skinner-Koenig pass play that covered the final 28 yards. It was the only pass Skinner was able to complete all evening. But it produced a TD and a 15-0 lead after Don Broyles had run across the extra point.

**Three Interceptions**  
Madison's defensive secondary picked off three of quarter-back Larry Patrick's passes during the game, and it was an interception by end John Summers which gave the Trojan another quick score just before the end of the first half.

Summers intercepted at the Dupu 33 got a key block at the TD and scored standing up. Halfback Koenig plunged for the extra point and a 26-0 halftime lead.

Madison's final score came on a one-yard plunge by Lusk in the third quarter. Scatback Lester White ran over the extra point, and Madison Coach Glen Leleuville cleared his bench. The Trojan subs could not mount another scoring drive, but they did not allow Dupe to make much of a dent, either.

## Warrior Sophs Down Madison 54-0 For Third Straight Win

Eleven players took a hand in the scoring Thursday night as Granite City whitewashed Madison in a sophomore football contest at the GCHS athletic field.

The Warrior sophomores scored twice in every quarter as they picked up their third win in three tries this fall. Madison, which did not penetrate inside the GC 35, absorbed its fourth straight loss.

The winners' first score came on a 24-yard pass from Ricky Turner to end Dema Lakatos. Fullback Rich Kozal ran 27 yards for the second TD and a 13-0 lead at the end of the first quarter.

Turner was on the receiving end of an 81-yard play into the end zone when he was tackled by quarterback Tim Hackney during the throwing. GC's third score, fullback Leo Nussbaum ran 27 yards for a score and the GCHS sophomores led 26-0 at halftime.

Fullback Danny Norris counted the fifth touchdown on a nine-yard run in the third quarter. Hackney on a 35-yard scoring play. Jim Rams kicked six extra points for Granite City, which will be at home to Alton's scampers 34 yards for a fourth-period score and Tom Barnett threw a TD pass to fullback Jim Hackney on a 35-yard scoring play. Jim Rams kicked six extra points for Granite City, which will be at home to Alton's scampers 34 yards for a fourth-period score and Tom Barnett threw a TD pass to fullback Jim Hackney on a 35-yard scoring play.

Madison's fresh-soph team will host Dupu at 7 o'clock tonight.

## Spalding Back In Winners' Circle At Speedway

With Spalding of Granite City back into the winners' circle Saturday night at Tri-Mor Speedway, where he took first place in the 25-lap feature race for modified stock cars after winning the handicap event for the night's six fastest qualifiers and a modified heat race.

John Meyer, also a heat race winner, was second in the feature race. Mac McGowan took third. Chuck Taylor won the second modified heat.

Clay Vetter took the checkered flag in the semi-feature race, which was won by an amateur heat as did Hugh Purley, Purley, who ran in the first heat, was the winner of the feature race. Louis Johnson and Purley took second and third.

Benefit For Hollis The track will stage its final race program of the season next Saturday night.

Co-owner Garland Farless said the night's proceeds, including drivers' purses, will be donated to a fund for the benefit of Dave Hollis, GC driver who was seriously injured in a modified race three months ago at the track.

Credit Union, Reds Move Up In Soccer League Standings Granite City Steel Credit Union Bantams moved into first place in their soccer division Saturday with a 4-1 win over Gilead. The team is in a YMCA league contest.

Bobby Galvan and Richard Byers divided the winners' four goals equally. The opponents had been tied for the top spot prior to the game.

The Reds upset Lincoln Place 3-2 and moved into a tie with the latter team in the top Atom division game Saturday. Trailing 2-0 after Tony Becerra had scored twice in the first half, the Reds got goals by Mark Lemon, Billy Crabtree and Jan Childers in the second half to pull out the victory.

On Thursday, the Reds were 4-0 winners over Luaders Agency, with Crabtree, Steve Odum, Marvin Dufner and Lemon scoring the goals. A Saturday Atom game went to St. Elizabeth by a 2-0 score over Luaders. Mike Fuchs and Mike Copeland kicked in the St. Elizabeth goals.

The Twilight Optimists scored their first Midget division victory Saturday, routing the YMCAs 9-0 on three-goal efforts by Joe Carradonna and Art Caravantes, plus single goals by Lloyd Cotto, Harlan Seymour and Larry Menendez.

Breakers Local 65 of the Bantam league also hung up a Saturday shutout, beating Rozzycki Realty 5-0 as George Porty kicked in four goals and Mike Johnson added the fifth.

A Thursday Midget game went to GNU Insurance by a 7-2 margin over the YMCAs. Mike Christopher had four goals and others were added by Norman Stein, Dennis Reutebach and Roger Fritz. Gary St. Iva scored both YMCAs counters.

First-place trophies were won by Jim Fiedler in the purple belt division for boys, and by Leonard Fuchs in the boys 10-and-under lightweight division.

Other trophy winners were Toni Fuchs, third in girls' 16-and-under; DeAnn Creek, second in girls' 10-and-under; Mike Middleton, second in purple belt; and John Nick, second in boys' 11-13 heavyweight.

## City Council Expected To Name Bond Attorney Tonight

An action-packed session of the Granite City council is expected this evening for the selection of an attorney to prepare for the issuance of bonds for construction of a sewage treatment plant.

Several lawyers have been mentioned for the post, and council members in the past month have declined to approve two of those recommended.

Mayor Davis said he will submit the name of former city attorney William Ferguson on a recommendation by the former Citizens' Sewer, Drainage and Pollution Abatement committee.

Morley's Choice  
Alderman Charles W. Morley, chairman of the Special Pollution Abatement committee, Sept. 17 submitted the name of Horace Calvo, may stick to his guns. Morley has been away on vacation but is expected back for this evening's 8 o'clock meeting.

Alderman Mrs. Gabrielle Benoit said figures are to be supplied for construction of the interceptor lines, one of which would carry the city's sewage into a treatment plant, and another, carrying it directly to the treatment plant.

Other action also is to be taken by the council tonight. Purchase of Equipment  
The Street and Alley committee is expected to submit recommendations on the purchase of two major items of equipment for the street department.

Bids for a heavy-duty highway and a street sweeper were opened Sept. 30 meeting and the committee has recommended the bid of the low bidder, \$18,668.

The committee has recommended the bid of the low bidder, \$18,668. The committee has recommended the bid of the low bidder, \$18,668.

Dec. 1 Deadline  
The council is expected to meet tonight to vote on a preliminary report from the project engineer and fiscal agent on the treatment plant project.

However, it has been pointed out during the past several weeks that no date is likely on the type of bonds to be issued because of the lack of a special bond attorney.

Financing Possibilities  
The city has been considering both general obligation bonds, to be financed by direct taxation, and requiring a referendum, or revenue bonds, financed with charges on a sewerage or a water utility, or a combination of both types of bonds.

Man, 59, Dies After Discussing Car Accident  
Funeral services for an East St. Louis man who discussed an automobile accident for five or 10 minutes with spectators and then was killed by a car, were held in Granite City.

The victim was James Dewey Hundely, 59, whose car hit an abutment of the Black line overpass on Interstate 70 near Collins and was crushed.

Police said he got out of his car, talked for a short while, then got back into the car in an apparently of a broken neck.

An inquest will be held in Granite City. Mr. Hundely was a bartender at the 400 Club, East St. Louis, on end for the past six years. He was born in Rives, Tenn; but lived in East St. Louis for 30 years.

Survivors include his wife, Annette; two daughters, Mrs. Leroy (Mary) Dumas of Chicago, Ill.; Mrs. Frank (Juanita) Markowski of Algonquin, Ill.; three sons, M. Sgt. T. Hundely of U.S. Air Force Base, Tampa, Fla.; James Hundely of Duplo, Ill.; and Robert J. Hundely of Algonquin, Ill.; five brothers, Walter Hundely of Granite City, Wilson Hundely of Venice, Paul Hundely of Edwardsville, Howard Hundely and Herman Hundely, both of Rives, Tenn.; and 15 grandchildren.

Funeral services are given in today's obituary section.

## 25 YEARS

The following items were taken from the files of the Granite City Press-Record

**THURSDAY, OCTOBER 6, 1938**  
 Louie E. Lewis of Christopher, Ill., Democratic candidate for state treasurer, will speak Monday night at the Labor Temple.

Judge Mudge today ruled in favor of the petition on the Horseshoe Lake project and ordered it placed on the ballot for the Nov. 8 election. Area farmers had opposed the project's placement on the ballot.

A large delegation from Granite City last night attended the installation of Mrs. Gurney Koe as sentinel of the Grand Chapter, Order of Eastern Star of Illinois, Peoria.

Local residents attending included Thomas Kelso, Mr. and Mrs. David John, Mrs. Mary Floyd Henley, Mr. and Mrs. John Griffith, Mesdames Sadie Wiley, Gaila, Matlock, Lydia Tena, Emma McFeynolds, Tena Neuberger, Emma Robinson, Mabel Schwarz, Maude Schultz, Christine Davis and Carrie Curtright, all of the Granite chapter, and Miss Mildred Bente, E. H. Buntz, Mr. and Mrs. George Stearns and Mesdames Elfreda Barr, Matilda Selb, Elma Scott, Myrtle Jenkins, Louise Truett, Sophie Parker, Blanche Nicol, Lillie Schmidt and Kathryn Feinling, all of the New Hope chapter.

Mrs. Jackson Maples of Lincoln avenue, Madison, and Mrs. Keller, entertained the Fidelity class of Third Baptist Church Tuesday evening.

Mrs. Booth Carrington presided, and newly-elected officers were installed by Mrs. Florence Baker.

The outwashed Happy Warriors of Community College will meet the tomorrow night at 8:30 in the Southwestern Conference football game.

Belleville has defeated Sparta 25-0, Ritenour 20-0 and Edwardsville 15-5. The Warriors have beaten Hillsboro 12-6 and tied Wood River, 0-0.

Granite City township relief cases increased only 20 in September, according to Guy Pritchford, relief officer manager. He said the gain was substantially smaller than in other months.

There are 939 families, which include 3241 persons, on the relief rolls.

## University Land In Chicago 73 Times As Costly As SWUI

Additional proof of the wisdom of early land purchases for public sites is provided by the announcement in Chicago that 17.4 acres have been bought for \$752,373 by the University of Illinois as part of its new law school.

The \$43,895-per-acre cost compares with an average acre cost of \$51,000 for the new St. Louis junior college but only \$600 for the 2600-acre site of Southwestern Illinois University.

The Chicago land is costing 73 times as much as SWUI, and the St. Louis tract is 85 times as expensive as SWUI.

It is extremely fortunate for residents here and throughout the state that the ideal bluff-area campus near Sunset Hill could be acquired while still largely undeveloped. Purchase at such a stage of development is not only economical but also displaces far fewer families and businesses. Gratitude is owed to all those whose foresight and generosity contributed to the acquisition of Southwestern Illinois University's beautiful site.

The obvious road to the site is early land buying for future development—an approach that applies not only to the people's needs and wishes. The large recreation area, Granite City and Mitchell parks, sites for new and expanding industries and land for airports.

## Public Attendance Helpful At Meetings Of Taxing Agencies

The "Grassroots Government" heading elsewhere on this page introduces a new Press-Record service—a weekly listing of the meetings that have been scheduled by various Quad-City governmental agencies.

The announcement of public meeting times and places is one more way of saying that the Press-Record believes citizens should concern themselves with what their taxing bodies are doing and that, whenever possible, they should attend the meetings where spending and other decisions are made.

It is important that government—at the grassroots level as well as statewide and national—remain close to the people's needs and wishes. There is more assurance of such closeness when voters and taxpayers are present during the discussions and votes by their elected representatives.

## Improvement Of Older Homes Benefits Family, Community

Not everyone has the inclination, time or ability to modernize an old home, but many Quad-Cityans are finding the task a rewarding one.

By purchasing and improving a residence in an established section of the community, a family can enjoy the benefits of both plentiful interior space and convenient location. And estimates show that the cost is small, even with remodeling expenditures included.

Best of all, when one family spruces up its home there is a tendency for others to do the same.

## MORTGAGING FUTURE TO PAY FOR THE PAST

To the Editor:

Government is retarding private enterprise. Continued short-term borrowing by the government to advance the government to advance borrowing costs. This discourages spending programs by private industry.

To keep from stagnating and increasing unemployment, the government has been relying on short-term issues, such as 90-day bills. This is shortsightedly convenient, but it violates cardinal principle of debt management—to lengthen the average maturity of the debt.

As things are going now, the Treasury is complicating its own problems. The more it depends on short-term securities, the more of its debt comes due each year.

But above and beyond this is the fact that it is storing up trouble for the future. The buyers of short-term securities are the commercial banks. If these securities can be the basis for expensive inflation, something the government does not want, they will sell the securities to the Federal Reserve System, they add to their reserves, and they are ready for multiple expansion of the money supply.

The fear of the rise of the money supply is not the danger. The danger is the fear of the rise of the money supply.

The fear of the rise of the money supply is not the danger. The danger is the fear of the rise of the money supply.

## THE PASTOR SPEAKS

Nothing in life can take the place of faithfulness and dependability. It is one of the greatest virtues. Faithfulness, competence — all are subservient to the quality of faithfulness.

On any team, a coach prizes the dependable player. Any pastor knows what magic is contained in these words, "Pastor, you can count on me." Any businessman knows what it means for a man's word to be his bond.

Success in any enterprise is dependent upon faithfulness and dependability. God is not expecting us to become great or famous. But he is expecting us to be faithful to Him.

Life is really lent to us to be applied in God's service. We are to give the best that we have to the highest that we know.

Then we will surely hear those words: "Well done, thou good and faithful servant; thou hast been faithful over a few things—I will make thee ruler over many things; enter thou into the joy of thy Lord."

## THE GREATEST VIRTUE

When one visits Yellowstone National Park, Old Faithful, the geyser, takes first place in point of interest. It is a magnificent sight, and it reaches at times, when erupting, a height of 177 feet.

Its average duration is four minutes, and the interval between eruptions averages 64 minutes. Of course, no two eruptions are the same, but each discharge brings forth from 10,000 to 12,000 gallons of water.

It is the most photographed geyser in the world and is especially beautiful at night, when floodlights of many colors are focused upon it.

Old Faithful is not the largest geyser, nor does it reach the greatest height. Nevertheless, it is by far the most popular geyser. Its popularity is due mainly to its regularity and dependability. You can count on Old Faithful.

## Madison's 75th—Or 73rd— Jubilee Will Be A Lot Of Fun

Historians apparently differ as to the age of the village of Madison, but all will happily join in plans for a gala 75th anniversary jubilee in October 1964. After all, there is nothing wrong with beginning celebration little early.

Research carried out when Madison county was preparing to observe its 150th birthday last year indicated that the Missouri Car and Foundry Co. began construction of the shops here in 1891 and that the village of Madison was incorporated in November 1891, with Charles C. Skeen elected as the first president. Four years earlier, the Madison Land Syndicate had been formed and promoted construction of the Meramec Bridge.

But there is no question that the settlement itself will have been in existence for 75 years by next fall—a span of time so great that it may be difficult to locate very many people who recall Madison's early days, even as small children.

Madison has had an eventful history, and descendants of its pioneer families are found not only in the present city but also throughout the Quad-Cities. The festival will be a joyful occasion for all local residents.

## Larger Foreign Sales Can Bring Jobs To This State

Quad-Cityans and other Illinois residents wish their state's delegation well in its trip abroad Oct. 17 to "sell Illinois." Purpose of the tour by officials and businessmen is to expand the state's foreign markets for such products as furniture, machinery, appliances, electronics equipment and pharmaceuticals.

Already a leading export state, Illinois has easily accessible harbors, such as the Port of Granite City. It also is criss-crossed throughout its length and breadth with ideal air, highway and rail facilities, minimizing shipping problems despite the fact that it is several thousand miles from some parts of Europe.

Foreign nations have much to gain from commerce with Illinois industries, and such trade is important to this state because it provides thousands of jobs.

Although it is the first such selling trip by a half-dozen of any midwestern state, we suspect it will be the last. Time and distance barriers are destined to become in future years even less of an obstacle than now.

## Meetings On Teen Problems Worth Of Larger Turnouts

Problems of the "twixt 12 and 20" age group are numerous, but only a small number of teenagers and their parents attended the first of several scheduled meetings—gatherings that could be genuinely helpful.

The first meeting was held at 7 p.m. tomorrow at the YMCA.

The weekly series continuing until Nov. 12 is intended to aid youth and adults in seeing both sides of such topics as "going steady," drinking, use of the family auto and teenage dependence or independence. Each meeting begins with a film, followed by audience discussion and then comments from panelists—teenagers and parents. Dr. Raymond Troyer, who has over 25 years of experience in working with family relations and education, is the moderator.

The "In My Opinion" programs offer guideposts if not full solutions to just about every difficulty encountered while growing up or while adult life further on. They are designed to lead to maturity. Will local residents take advantage of the opportunity to exchange ideas?

Employed a wide range of techniques in their successful efforts to lure industry to their localities.

Many of the community programs have been conceived and carried out in the auspices of the local Chamber of Commerce.

Illinois has been an innovator and a leader in the industrial development field for years.

For example, the first successful organized industrial district in the country were the Central Business District and the Clearing Industrial District of Chicago. Today, these and a growing number of other industrial districts—such as the Central Industrial Park in Elk Grove Village, Pioneer Industrial Park in Joliet and Northlake Industrial District in Northlake—are enjoying great success in providing attractive and efficient homes for industry throughout the state.

Financing Programs

Danville was a successful pioneer in the use of organized industrial development foundations to provide funds for new industries and industrial development. Financing programs have played a part in bringing over 22 new industries to Danville during the past 34 years. The making of a drive in that community netted nearly one-half million dollars to be used for plant and site financing.

A recent Illinois State Chamber of Commerce survey revealed that at least 11 other Illinois communities have financial plans of some type in operation and still others are planning programs of financial incentives to industry. In recent years such cities as Olney, Vandalia, DuQuoin and Casey have brought in industry as a result of loans or gifts made by the state. We are redoubting our efforts in the Illinois State Chamber to continue this favorable trend and to increase the adherence to the fundamentals have produced results in recent years in cities like Paris, Peoria, Bloomington and Rockford.

Speculative Construction

LaSalle, Peoria, Pinckneyville, Taylorville and other areas have achieved notable success in erecting attractive speculative buildings by entering a company to occupy them. Today, speculative buildings are available, under construction or in the planning stage in Clinton, Centralia, Mount Carmel, Oglethorpe and Chicago.

Other section chairmen in the Industrial Firms Division are: E. G. Schmitt of Illinois Power Co., who heads the Utilities section. He worked in several earlier drives and is YMCA delegate to the fund's board of directors.

Freeman Wolfe of M. H. Wolfe & Co., who heads the Building Trades & Construction Section. Wolfe worked in three previous drives and is a member of the United Fund's administrative committee, was on the board of directors (1960-62) and was elected to a new three-year term.

General Secretary of the East Side Manufacturers Association is M. H. Patterson, who served in three previous drives and in 1962 was a member of the fund's board of directors. Lyle Guley of Granite City Steel Co., who helped in previous drives but is in his first official role as an enrolled worker, and George W. Matthews of the Builders Association of Chicago, who worked in his third year.

Also lending a hand to the Industrial Firms Division are: General Chairman A. P. Steu-

Dixon, Eign and Rochelle are among the many communities that have benefited greatly from the enlightened effort of city government, which has cooperated with industry with private enterprise efforts.

It is obvious from these examples that the Illinois communities do not lack for ingenuity or drive once they are properly motivated. Unfortunately for many areas, however, the operation of local industrial development programs is haphazard and lackadaisical.

Few Effective Efforts

Like the story about the weather, there are too many communities simply talking about industrial development but too few really doing anything about it.

A leading industrial development authority from an Illinois utility serving a substantial portion of the state has said that only a small fraction of the communities in his territory are currently engaged in sound, comprehensive programs to attract industry.

It is for this reason that the Economic Development Committee of the State Chamber of Commerce has placed such high priority on assisting and encouraging the development of sound local programs of industrial attraction.

Some of the inaction we are aware of stems from lack of effective leadership or lethargy on the part of the entire community. Elsewhere, failure to act is the result of lack of knowledge. None of these factors is insurmountable, but they must be overcome if the areas involved are to enjoy industrial growth commensurate with their capabilities.

Upward Trend

My own assessment is that there has been a marked increase both in the number and the quality of active industrial development programs in the state. We are redoubting our efforts in the Illinois State Chamber to continue this favorable trend and to increase the adherence to the fundamentals have produced results in recent years in cities like Paris, Peoria, Bloomington and Rockford.

Very frankly, I am optimistic about Illinois' economic future provided (1) our state government does not harass business with unwise regulations and taxes, (2) private groups continue to give impetus to local industrial development activities by means of broadened financial support and energetic leadership and (3) local communities take steps to get their local facilities in shape to serve new industry.

The task of keeping pace with the rest of the nation will not be easy. We have, however, the tools, the know-how and the leadership to more than hold our own.

Issue a call to leaders of every community in Illinois to make their locality do all it can to meet the challenge we face.

(A wide range of industrial development activities are being conducted by such groups as the Tri-Cities Regional Port District and the Industrial Development Committee of the Tri-Cities Chamber of Commerce.)
